clubs, schools, troops and heroes.***

***Registration Information on the reverse side***

**Registration Deadline: Friday, November 30<sup>th</sup>**  
**Christiansburg's 2012 Christmas Parade**

**Rules and Regulations**

1. We encourage all parade participants to have Christmas decorations or a Christmas theme to their walking group, floats or cars. This excludes all emergency vehicles (police, fire, and rescue).
2. Safety is the most important aspect of the parade. Anyone deemed acting in an unsafe manner will not be allowed to participate
3. Throwing, tossing, or handing out of candy or gifts from any entry is strictly prohibited, with the exception of our Santa riding on the last fire engine
4. The parade route is on public streets and is under the jurisdiction of the Christiansburg Police Department. Anyone operating a motorized vehicle is reminded that these vehicles must be operated in accordance with the law.
5. Race cars, tractors, and unlicensed trailers are allowed to participate in the parade provided that they do so in a safe manner.
6. All persons riding on floats should follow basic safety rules. They should stay away from the edges and keep hands and feet away from the wheels of the float and the vehicle.
7. Any vehicles that experience mechanical difficulties anywhere along the parade route should attempt to pull over to the side of the road and out of the parade line. Do not attempt to repair any distressed vehicle. Anyone requiring assistance should seek out a police officer that will be along the parade route at most intersections. Payment for any repair or towing charge will be the sole responsibility of the persons or organization requesting service.
8. Do not proceed into the street until you are signaled by a parade official. This will help to ensure the safety of all.

---

Return to the Christiansburg Recreation Center no later than Friday, November 30<sup>th</sup> at 5pm:

1600 N. Franklin Street  
Christiansburg, Virginia 24073
